Govt P.G. College Khargone was established in 1958. It was shifted in the present premises in 1967. The northern portion of the building was dismantled in 2009. After long & strenuous efforts he could the present shape to the premises in this duration we should have completed second cycle of accreditation but we could not. An indoor stadium is also under proposal. The college has a beautiful garden & a canteen to enhance the glory of it. Being lead college of the densely tribal populated district, The NAAC accreditation of the college was carried out in 2009 & 2015, and we were granted 'B' grade every time. Now we are trying our best to get 'A' grade in future it is marked with a glorious & outstanding academic history. It has science, commerce & art faculty with the conduction of post graduation classes in 13 subjects. The college is also equipped with the research centers in Commerce. Economics and Geography. During the session 2017-18, 5054 students have been admitted. The strength of boys is 2357 while the girls is 3004. The percentage of girls is 52%

The college is embellished with a rich library having 80000 books. At a time about 150 students can study the books related to different subjects and competitive exams. The conversion of the present library into an e-library is in offing. The traditional as well as job oriented subjects are being taught. The laboratories are well equipped with modern facilities.

<p>Best Practices :- The students are not allowed to enter the premises without identity card. They are given a training of expressing themselves to enhance confidence in their personality. They are also provided with guidance for competitive examinations.</p> <p>Innovations:- College administration is planning to set solar panels on the top of the building to generate solar power. College building has a very large roof area. After completion of another building the next step is to change the tube wells in the campus by rain water harvesting.</p>			

Enhancement.

A. STRENGTHS:-

1. Biggest and Lead College of the District: -

Govt. P. G. College, Khargone is the biggest college in the District. It is situated at district Head Quarter Khargone. During current session-5361 students took admission as regular students. In the institution B.A., B.Sc. and B.Com courses are running in UG classes (with variety of subject options) and M.A., M.Sc. and M.Com are running as PG Courses. There are 13 PG courses viz. Hindi, English, Geography, Economics, Political Science, M.S.W., Physics, Chemistry, Zoology, Botany, Mathematics, Computer Science, Commerce; out of which Master of Social Work and M.Sc. computer Science are running as Self-Finance Courses.

Higher Education Department of Madhya Pradesh has marked it as Lead College of the district, Khargone.

2. Geographical Coverage: -

As the institute has Post Graduate Courses in many subjects and qualified regular staff also the students from long distances and remote villages come to study here. Not only from other Tehsils of the district but from bordering districts viz. Dhar, Khandwa, Barwani students also come to join this college because of facility and staff available here.

3. Infrastructure :-

a. **Location:-** The college premises is situated in Prime Locality. It is less than one km away from Bus Stand, Collectorate, Municipality, State Bank of India, Central Bank of India, Post Office, Court Campus etc. i.e. in the center of the city. This facilitates the students an easy access and provide security to girls.

b. **Area: -** The college premises has a large area about 11 acres (44515.60 square meters) . Grand main building, Commerce Building, Zoology, Botany, Micro-Biotechnology building, Canteen, Basket

4 Ball ground, a large play ground and a beautiful garden in front of Main Building near main gate make the institution splendid.

c. **Library: -** The college Library has large number of books (103000) which are classified as books from UGC grants, books from JBS fund, books from state government fund i.e. General, Books for SC and ST are also there in large numbers.

Similarly reference books as well as Text Books are also available in large number. As the college was established in 1958 many old and classic books are also there which is making it a treasury of high level knowledge.

4. Financial Status :-

The institution is financially strong as the Jan Bhagidari Samiti(Public Participation Committee) fund is more than two crores at present. This fund is utilized for the development of the college. District Collector is the President and Principal, Head of the institution is the secretary of the college Jan Bhagidari Samiti.

5. Permanent faculty:-

There are 39 Persons working as permanent faculty in the college, out of which 25 faculty members having Ph.D degree i.e. 53.19% is highly qualified. In English, Hindi, Sociology and Political Science Departments 100% permanent faculty have Ph.D. degree.

6. Ragging/Sexual Harassment:-

The atmosphere of the college is appreciable in the aspects that since last five years no case of ragging or sexual harassment is reported in the college. To take action against Sexual Harassment and ragging, committees are formed in the college every year.

7. Results in the examinations:-

The results of the last four years (at UG and PG level) may be said to be praiseworthy. Subject wise pass percentage was almost 75% to 90 %.

8. Research Centers :-

Three departments of the college have honor of becoming research centers. These are Geography, Economics, Hindi and commerce. These research centers have provided research scholars the opportunity to conduct their research work from this college.

9. Girls Unit of NSS:-

Girls NSS Unit is established during 2013-14 in this college under the leadership of its Founder Program Officer Dr. (Mrs.) Sunaina Chouhan. It is working well under able guidance of her and District Organizer of N.S.S. Pro. Sevanti Dawar, Girls Unit as well as Boys Unit are also working well. During current session Boys Unit of N.S.S. has 123 volunteers while Girls Unit has 140 volunteers.

10. Vivekanand Career Guidance Cell:-

Vivekanand Career Guidance Cell of the college is working well under leadership of Dr.J.L Solanki. Its activity has increased more interest in students and more students are getting benefit through it.

B. WEAKNESSES

1. Poor Stuff from surrounding area H.S.S.:- As most of the surrounding area is tribal with poor educational and economic background, the stuff is poor, in first year of B.A., B.Sc., B.Com is of low level. At UG level more than 75% students belong to ST, SC and OBC coming from remote-rural area. They have tribal dialects viz. Bareli/Bhilali/Bhili/Nimari as their mother tongue. So more than 90% students are unable to write or express themselves in English. Not only this, but also more than 45% students are unable to write Hindi properly. This inefficiency to understand/read and write correct English and Hindi work as an impediment to their learning and understanding.

2. No permanent librarian and Sports Officer:- Library and sports is one of most important sections of an institution of Higher Education. In the college the post of Librarian has been lying vacant for more than 5 years and a guest librarian is working now. Similarly the permanent sports officer Dr. B. L. Bhate was removed from this college during session 2013-14 and the charge of sports officer is with an assistant professor of commerce Mr. Rajendra Singh Chouhan. Lack of permanent Librarian and sports officer affect the work adversely.

3. Research:- Students join the college only to get degrees. They are not interested in research work. As the students are from poor or middle class families. They need job even while studying, as they get any job after P.G. or even U.G., they stop further studies and do not incline towards research or higher studies. Even faculty members do not pay attention towards research work after fulfilling their provisions because of heavy load of other non-academic work imposed on them.

4. Post should be increased and filled with permanent faculty:- Vacant posts of faculties and office staff are also a weakness of the college. According to the increased number of students and more work the vacant posts should have been increased in filled with regular staff.

5. Staff for Hostels:- The College runs one (Chandra Shekhar Azad) hostel for Boys and one hostel for Girls. But there is no post of Hostel Superintendent, Guard, Cook, Peon etc. in any of them. Some staff members are allotted extra work to run the hostels and it is very difficult to manage students there and provide the mess facility.

C. OPPORTUNITIES

1. May Increase Funds:- Jan Bhagidari Samiti(Public Participation Committee) of the college may increase its funds by getting donations from the Rich Persons/Businessmen/Public leaders etc. This amount may be utilized in the development/Facilities of the college. At present only Jan Bhagidari Fees is collected from students. By collecting money from society would be real Public Participation and thus other Stakeholders viz. Alumni and public would bunch up with the institution.

2. Job Oriented Courses:- Job oriented courses may be initiated in the college for the benefit of the students. As it is Narmada Valley region Courses related to fishing/Fish Oil manufacture/Fish Production and courses of producing/preserving food articles may be started.

3. Sports centre with good coaches:- There has been a good tradition of Tennis/Hockey/Basket ball/Body Building and athletics separate wing of sports may be established appointing good coaches in such sports/athletics so as to develop players/athletes of state and national levels.

4. Aadarsh Mahavidyalaya(Model College):- On the basis of number of students, its infrastructure, results and being lead college of the district, it may be declared as an Aadarsh Mahavidyalaya according to scheme of Higher Education Department of M.P. (who is going to declare at least one college of the district as an Ideal College). Then somehow the college may get benefit of this.

5. Research centers in some more subjects:- As there is sufficient and experienced academy in some subjects/departments like Hindi, English, Sociology, Political Science, Chemistry etc. research work may be started there and research centers may be opened in those subjects.

D. CHALLENGES

1. To use energy of youth:- As there are more than 4000 regular students in the college, it is a challenge for the administration to use this power house and divert it is highly embarrassing to manage activities/examination/sports/competitions/functions for a large number of participants.

2. Quality Enhancement:- As it is told already the stuff we get is poor, it is a challenge for the institution to enhance the quality. In spite of best efforts only their examination results are improved. In co-curricular, extra activities and sports also they do not achieve what may be expected from such a large number of students.

3. Communication skills:- Due to rural and tribal background the students feel it hard to communicate in English and write in English. They make mistake even in writing good and correct Hindi and express themselves aptly. This is a great hindrance in achieving heights in course examinations/competitive Examinations and becoming successful in other walks of life.

16. Looking Ahead (3 pages) Future Plans

Lays out the college's priorities and goals over the coming year. Describes key initiatives planned, what each initiative is expected to achieve, and how it will contribute to the college's long term development.

Key Initiatives Planned/ implemented

S. No	Head (administrative/ academic, etc)	Nature of proposal	Expected Outcome
1	Renovation of auditorium		Best opportunity for cultural activities, conference & seminar
2	Computer lab.		to conduct online examination
3	Indoor Stadium (1000 Seater)		To enhance Sport activities of students.
